To Whom It May Concern,

I would recommend Tim Dunne and Dunne Commercial Property wholeheartedly. He knows what persistence and integrity mean, because he lives both virtues. He makes it a priority to know his clients well and what is important to them.

We recently contracted with Tim to help us find a bigger, more accommodating office location for our growing, non-profit pro-life organization. We needed someone we could trust. Simply because of who we are and what we stand for, we knew Tim would be the perfect person to carry out that task. Because of Tim's knowledge and expertise, we were able to move into a new office in what I considered a very short amount of time.

While searching for a new office space and executing a lease that was good for both parties is a modest task compared to listing a commercial property and getting it sold, I know Tim will impress you every step of the way with his commitment to integrity.

I wouldn't use that word in this way unless it were absolutely true. Tim has integrity and a persevering commitment to his clients. That, to me, is worth more than anything else. Hire Tim with confidence.

Through Christ,
