

To Whom It May Concern:

My name is Pam Soleski and I own a building on Custer Avenue in Butler, Wisconsin. Upon retiring, we engaged Dunne Commercial Properties to facilitate the leasing of our auto garage.

Tim Dunne was very aggressive in his marketing and promotion of this particular lease opportunity, and actually procured a high-quality tenant within 60 days of taking this listing. Mr. Dunne arranged for the showings, negotiated the terms and conditions (much to our benefit), and even drafted the long-term lease executed by both parties.

Throughout the whole process, it was a pleasure working with Dunne Commercial Properties, particularly with his real-time responses. Mr. Dunne is a very effective communicator who avails himself pretty much 24/7 to cater to the needs of his clients, which is something we truly appreciate. I highly endorse and would definitely recommend their professional real estate services for any and all.
